# Ticket to Ride: 2020 Coachmen Chaparral 360IBL

**\$54,500**

## Description

Hey there fellow adventurers! We're excited to offer our beloved 2020 Coachmen Chaparral 360IBL 5th Wheel. We've shared countless unforgettable moments in this home on wheels, and now it's time for a new family to experience their own adventures. This RV has been lovingly treated and customized to create the coziest home away from home. It's currently located near Oklahoma City, OK.

**Our Family's Story** We're a family of four who always dreamt of hitting the road and exploring the great outdoors. We named our RV "Ticket to Ride" after one of our favorite board games because it was our passport to adventure. We recently gave the interior a makeover, painting it bright white with warm gray accents, creating an inviting and spacious atmosphere.

**Room for Everyone** This 39-foot RV with 4 slide-outs is perfect for families, as it can sleep 6-8 comfortably. Our kids adored the mid-bunk room, where we installed twin mattresses into each bunk to give them extra play space and ample storage. (You can add your own double mattresses if you need the extra sleeping space to accommodate 8 sleepers).

**The private front bedroom** with a queen bed, dedicated AC unit, and wall-mounted TV was our adult sanctuary. The 78" tri-fold sofa ensured everyone (including our guests) had a cozy spot to rest.

**The Heart of Our Home** The kitchen, dining, and living room area was the heart of our home on the road. We cooked meals together, enjoyed movie nights on the recliners, and played board games as a family. The fully-equipped kitchen boasts a beautiful island with two chairs, a stainless steel refrigerator, 3-burner cooktop, 30" residential microwave, and a roomy pantry.

**Convenience and Comfort** The built-in washer/dryer allowed us to pack light and stay longer, without relying on campground laundry services. Two factory-installed air conditioning units kept us comfortable in any weather, while the 30" x 50" shower provided a refreshing experience after a day of exploring.

**Extra accessories** We are throwing in a dragon's-hoard of extras and accessories that we picked up along the way, including: Big, flatscreen TV mounted in the living room Flatscreen TV mounted in master bed Progressive Industries RV Surge Protector - 50 amp with electrical management system, portable, EMSPT50X 50-amp to 30-amp adapter Camco 25-ft heated drinking water hose (which saved our lives one cold January) X-chock wheel stabilizers, pair Anderson Hitches 2-pack Camper Leveling System (leveling ramps) A big stack of orange leveling blocks Adventure-Ready With less than 10,000 miles traveled and a recent battery replacement, our Chaparral 360IBL is adventure-ready. It's factory-equipped with Azdel Onboard® composite panels, Road Armor® suspension, satellite/cable TV hookup, exterior TV mount, 16" radial tires with aluminum rims, electric front jacks and electric rear stabilizer jacks. Please note that our cherished RV is sold as-is. Now, it's time for your family to create new memories and embark on the adventure of a lifetime with our "Ticket to Ride." Don't miss out on this fantastic opportunity to make this 2020 Coachmen Chaparral 360IBL your home away from home!
