Description

You can tow this trailer with a properly equipped minivan, crossover, or SUV. This trailer stores easily in a standard-size garage. You can set up this unit in just five minutes, and unlike a tent camper, you can even do it in the rain without everything inside getting wet. There are great amenities, such as a hard wall bathroom with shower and tub, a full kitchen, and a great floor plan with three sleeping areas, a convertible dinette, and a kitchen. Note: All soft goods (mattress and cushions, etc.) are off the unit for winter storage inside. We are looking for people all over the country who share our love for boats/RVs.
