## 2021 Fifth Wheel CrossRoads Cameo

**\$68,400**

### Description

Stock #380671 - This fifth wheel is loaded and ready to hit the road! Exceptionally clean with great amenities! If you are looking for a great Fifth Wheel for your family - you can stop the search! This 2021 Cameo 3891MK by Crossroads has all the features and options that make hitting the road in this RV - fun for everyone! Custom solid surface countertops throughout - Furrion Chef Collection Stainless Steel Appliances in the Galley, two 15K BTU ducted roof-mounted AC units keep it cool on the hottest of days, and two electric fireplaces plus 35,000 BTU furnaces will keep you warm on the coldest of nights. The unit is designed and built with the Extreme Weather Package that includes additional insulation throughout the unit, heated holding tanks, and improved cooling -- and, best of all - a tankless water heater - so you never have to worry about running out of hot water. The unit is equipped with washer and dryer units already installed, and it is prepped for side view cameras and solar systems, too! The layout is roomy and comfortable, with four slideouts - (one is a slide within a slide) in the master bedroom/bath areas. The living area has opposing slides that create an open layout with a center kitchen island with a large farm-style sink - the dual power recliners with heat and massage are just beyond the dining table with four chairs. They face the entertainment center with a large flat-screen TV equipped with a sound bar, Bluetooth and stereo systems, and a DVD player, too! The tri-fold sleeper sofa quickly converts into a queen-sized bed with the ceiling fan directly overhead. The galley features a large pantry, the Furrion Chef Collection Stainless Steel Appliances, including a residential three-door refrigerator/freezer, a four-burner gas stovetop with cast iron grating with a gas oven below, and a super vent hood above. There is also a 30-inch over-the-counter convection microwave unit and lots of cabinet and countertop space. Just up the steps, you find the full bathroom with two entrances (one from the hallway and one from the master bedroom). The bathroom features dual sinks and a large shower with a seat and skylight overhead for lots of natural light in the bathroom area. Plenty of cabinet space, a center medicine cabinet, and matching mirrors over the dual sinks. The master bedroom features a pedestal-style king bed with storage below and a second electric fireplace just above the dresser at the foot of the bed and below the large wall-mounted TV - perfect for watching your favorite movie or show in bed! The large walk-in closet has separate clothes washer and dryer units already installed and plenty of wardrobe closet space for your clothes. Outside, two power awnings allow you to extend the fun outdoors at the campsite and make this unit a great one for tailgating! The unit has a six-point auto-leveling system, so setup and breakdown are quick and easy! All of the systems are clearly marked and easily accessed around the RV's exterior. The RV is equipped with 14-ply tires rated to carry heavy loads. Don't hesitate to contact us with any questions or to schedule an appointment to see this listing in person - you won't be disappointed!
