Description

This is a brand new 2021 Crossroads Cameo fifth wheel with FIVE slides! Our plans changed drastically and we bought a house sooner than anticipated. So this has only been used for less than 2months. This is a unique two bedroom and two bathroom, and this amazing floor plan is perfect for either family living, a couple needing office space or just glamping in extreme style! There are two fireplaces, two sinks in the master bath, the king size bed goes out further on the 5th slide to create a large bedroom. We are also separately selling the white F350 pictured. This could be a package deal, if interested please contact me and I can get you all the details about the truck.
