## Description

New 2024 CrossRoads RV Cruiser Aire CR32BH CrossRoads RV Cruiser Aire fifth wheel CR32BH highlights: Private Bunkhouse Dual Entry Doors Exterior Kitchen Triple Slides Bath and a Half Exterior Docking Station If you've been dreaming of camping with friends and family, take a look at this fifth wheel that can sleep nine people each night. The little ones will spend their time in the private bunkhouse when they're not outside riding their bikes. The half bath includes its own exterior entry door so your guests won't drag dirt through the whole trailer just to use the restroom, and the second entry door conveniently leads into the main living area. Here, you can relax on the booth dinette and tri-fold sofa within the large slide out, and if you're wanting even more comfort, just choose the optional power theatre seats in place of the tri-fold sofa. You will find all the appliances indoors to prepare meals each day, plus there is an exterior kitchen that will be perfect when frying fish or bacon! Each one of these CrossRoads RV Cruiser Aire fifth wheels and travel trailers have high end features incorporated into them! Some of these features include a Secure Stance entry step, pass-through storage with magnetic slam latch doors to keep your gear stored safely, and electric awnings with LED lights to highlight the good times at night. Their construction consists of a one piece seamless super flex roof, a five sided aluminum construction, and an aerodynamic painted front cap for an easier tow. Stay connected where ever you go with the HD digital TV antenna with Winegard WiFi prep. The interior includes hardwood cabinet doors, spacious bedroom closets, LED lighting, and many more comforts.
