Description

New 2024 Jayco Eagle 335RDOK Jayco Eagle fifth wheel 335RDOK highlights:  
 Front Walk-In Closet Rear Living Area Walk-In Pantry Shower with a Seat Outside Kitchen Table and Chairs with a Bench Head out on a great weekend adventure with this fifth wheel! It features a front private bedroom with a king bed that could be switched out for an optional queen bed, a chest with a TV above, and a front walk-in closet with shelves and prep for an optional washer and dryer. The full bathroom has a shower with a seat and a linen closet to keep your towels close. The chef will enjoy preparing meals in the kitchen with the three burner cooktop, but might love using the outside kitchen even more. When you're ready to wind down your nights you can either play card games at the table and chairs with a bench or head to the rear living area and relax on one of the two tri-fold sofas or theater seating across from the entertainment center with a fireplace! With any Eagle fifth wheel or travel trailer by Jayco you will appreciate durable construction materials, like the Magnum Truss Roof and the Stronghold VBL laminated walls. The JAYCOMMAND Smart RV system puts you in control of your RV's functions, and the 4 Star Handling Package will provide smooth towing from home to camp. Each model features Climate Shield zero-degree tested weather protection and the industry-exclusive HELIX cooling system that features two 15,000 BTU Whisper Quiet A/C's to keep you comfortable year around. Some of the exterior conveniences you are sure to love are the fully enclosed, LED-lit universal docking station, the pass-through storage with Slam-Latch baggage doors, and the painted fiberglass front cap with built-in specialty LED lighting. The Eagle fifth wheels and travel trailers are designed to make you feel at home with solid hardwood slide fascia, residential vinyl flooring, bathroom tile backsplash, and plenty of storage for all your belongings.
