| Description | <p>Description 2024 EAST TO WEST Entrada 3100FB, EAST TO WEST Entrada Class C gas motorhome 3100FB highlights: Full-Wall Slide Master Suite Bunk Beds 60" x 80" Bunk Over Cab 62" Sofa This Entrada Class C gas motorhome has quite a lot of class and comfort! Every inch of this coach has added living space because of the full-wall slide on the driver's side, and this slide adds extra room for additions like the bunk beds. Not only is there a set of bunks on the slide, but there is also a bunk above the cab if someone else wants to spend the night on a bunk bed. You will have a great night's rest on the queen bed in the rear master suite, and since this bedroom gives you a private entrance into the dual-entry bathroom, you won't have to go far in the middle of the night. This coach also has great entertainment with a 40" 12V LED Swing Arm TV over the cab, and there is a space prepped in the bedroom if you decide to add another. With any Entrada Class C gas motorhome from EAST TO WEST, the construction consists of a completely laminated coach, a one-piece molded fiberglass front cap, 2" thick sidewalls with Azdel composite exterior, a Dicor Diflex II TPO roof, and integrated entry step. Some of the Entrada value package features include 12V tank heaters to camp during the cooler months, the Winegard Air 360+, plus backup and sideview cameras with monitor for safety on and off the road. The interior offers a 7-foot interior height for a spacious feel, and hardwood shaker style cabinets. Choose an Entrada for its tasteful design, attention to detail, bright interior and/or affordable price-point! AUTOMATIC LEVELING JACKS; DEALER DISCOUNT; ENTRADA VALUE PACKAGE; RENTAL UNIT; ROOF MOUNTED 12V SOLAR PANEL INCLUDES 2ND BATTERY; RVIA SEAL Sleeps 10 Slideouts 1</p> |
