Description

2023 Forest River RV Cherokee Arctic Wolf Suite 3660, Forest River Cherokee Arctic Wolf Suite fifth wheel 3660 highlights: Fireplace King Bed Two Tri-Fold Sofas Pass-Through Storage Panoramic Rear Window Outside Kitchen Two Exterior Refrigerators You have excellent sleeping accommodations on this Cherokee Arctic Wolf Suite fifth wheel! There is a private bedroom with a king-size bed at the front for you, and the second bedroom contains a flip-up bunk and tri-fold sofa for any kids or friends you have traveling with you. But it doesn't stop there. There is also a loft above the bunk room and a tri-fold sofa in the living area that you can use as a sleeping space. The kitchen is ready for you to make meals on the three-burner range, and you can work freely around the peninsula countertop. The ceiling fan will cool this area down if it gets too hot while you're cooking, and you can eat your meals at the table with two fixed/two folding chairs. When you enter this unit, you'll also appreciate having a coat drop zone and shoe storage to keep your belongings tidy. You will have amazing residential comfort in the Forest River Cherokee Arctic Wolf Suite fifth wheels! These units have a SuperStor dual-cavern basement storage compartment to allow you to bring more gear, and they have been constructed with a ToughBend rigid skirt metal design, a 1x engineered wood SuperTruss roof structure with 3/8" decking, and a 5/8 tongue-and-groove plywood floor decking. Each model includes Leash Latch pet safety technology, an outside shower with hot/cold water, preparations for an exterior TV, motion-sensing lighting, and a smart monitor panel with smart phone Bluetooth connectivity. The supersized central air conditioning unit (15,000 BTU) with quick cool air dump feature and second oversized 15,000 BTU ducted air conditioner will cool your unit down in a snap when you camp in the hot summer months.
