Refrigerator U-Shaped Dinette Outside Kitchen The whole family will enjoy camping in this fifth wheel! The kiddos will love having their own privacy with the rear private bunkhouse that has a 30" top bunk above a set of drawers, a 34" top bunk above a 48" lower bunk, and a TV prep area. The chef will have an easy time preparing their best dishes with the three burner cooktop and flip-up countertop or they can breathe in some fresh air while they cook at the outside kitchen with a griddle and 1.6 cu. ft. refrigerator for a cold beverage! With any Reflection 150 Series fifth wheel by Grand Design, there is more available payload capacity and a broader range of half-ton trucks capable of towing this fifth wheel, and no slider hitch is needed thanks to the 90-degree turning radius which makes them short bed friendly and easier to tow. The mandatory Ultimate Power package provides a "One-Touch" automatic leveling system and a detachable power cord with LED light for easy setup, plus motion sensor pass-through lighting and entry lighting, and the Tire Linc TPMS will help you stay safe on the road.
