## Description

Bought from original owner in Nov 2022. I had a new toilet installed and the roof was self level dicor, I think is the name/term done by a certified rv tech. He also performed a PDI. The fireplace needs to be replaced(\$340 parts +125 for 1 hr of labor). The furnace mother board and swail switch need to be replaced (190&15=205 parts + 125 for 1 hr of labor. With the furnace youâ€™ll need to do a gas leak test so thatâ€™s why I would suggest letting a certified tech do the mother board.) The AC in bedroom needs a E4 sensor(\$16+125 for labor but it may be easy to do if handy, and all this may be easy to do is handy, if tech came to do all 3 in one day may only take 2-2.5 hrs & be a little cheaper). I have the correct radio brand new in box that will come with it as well. The couches are peeling so likely will need to be replaced. The estimate was \$875 to fix those 3 issues and then replacing the couches/re-upholstering them I tried to reflect in the price. I am open to offers and negotiable on the price. Also having the tanks professionally cleaned before itâ€™s sold as a bonus so the tanks are freshly cleaned, I will not use them after itâ€™s cleaned. Located in Dublin GA. I donâ€™t have a truck to deliver. My phone is 478-290-0451 so please text me if youâ€™re interested and we can set up a day and time to see it. Carpet and flooring are in excellent shape. Awning, fridge, stove and hot water heater work great as well. Very spacious walk in closet and pantry. Lots of cabinet storage space. Has solar plug in and washer dryer set up. Has electric jacks/stabilizers.
