### Description

Stock #376692 - READY FOR THE ROAD AND PRICED TO SELL!!! PREWIRED FOR GENERATOR AND SOLAR! This 2020 Reflection 376BHS is perfect for families and groups of friends who love to travel and explore the great outdoors. The RV has some nice upgrades, like a 2nd AC unit in the master, an electric leveling system, and a rain-sensing skylight. This Reflection is also pre-wired for a generator and solar panels, making it easy to go off-grid. In addition to these features, the RV's "office space" has been customized to include a bed with nook storage underneath. This replaces the original sofa offered by the manufacturer. This modification essentially creates a second bedroom. In its current configuration, the RV has a sleeping capacity of seven people. It features a Queen bed in the master, a loft bunk over the second bedroom, a fixed twin in the second bedroom, and a pull-out couch in the living room. If you're looking for a spacious and comfortable RV to accommodate your family or friends on your next adventure, the Reflection 367BHS is the perfect choice!
