### Description

Stock #384937 - 2022 Grand Design REFLECTION FIFTH WHEEL 320MKS ready for your family to enjoy. The present owner has enjoyed the 2022 Reflection 320MKS RV. The rear area desk provided a comfortable workspace just off the main living area. With plenty of storage inside the RV, there was never a problem with where to put things. The spacious main living and kitchen area has two slide-outs, full kitchen amenities, and seating with theater seats, including cupholders and a tri-fold sofa. The living room fireplace makes for a relaxing evening while watching a movie. The front bedroom also provides a front wall wardrobe, a slide-out RV King bed, and a dresser. The shower offers a skylight for natural lighting during the day, and there is linen storage in the full bathroom. The exterior offers an outside kitchen with an exterior stovetop and a residential refrigerator, and there is an outside entertainment center with an LED TV to enjoy while relaxing under the two electric awnings. Some other top features include a chef's kitchen with a 30" stainless steel microwave and residential cooktop, a USB charging station, and the ductless "Evenflow" heating system, which does not have vents in the floor to collect debris.
