Description

Stock #385254 - 2021 Reflection by Grand Design 288BH in Great Condition!!! Rarely Used!!!! This ONE OWNER RV is really nice. Always stored under cover in a secured storage lot and always plugged into power. It is obvious that keeping an RV powered up keeps the humidity down and preserves the interior and all the appliances. This REFLECTION is solar-prepped and includes the ARCTIC INSULATION package. Inside, you will find a "just like new" interior. The seller is a self-proclaimed neat freak and does a great job of keeping things clean. This is a great floor plan. The master bedroom is front located, and the large bathroom is adjacent. A nice, roomy kitchen and living area are generously equipped with ample storage and counter space. The rear bunk bedroom has lots of cabinet storage and is equipped with a TV and stereo. The dinette is pictured with the table removed, but it is included with the RV. The dinette converts to a nearly queen-sized bed. In the rear exterior kitchen, the seller removed the propane stove and part of the storage wall to create a large space for extra storage. Why didn't the factory build it this way....it is a great idea and really functional. (see pics). We are looking for people all over the country who share our love for boats/RVs.
