Description	<p>                             Kitchen Island Separate Living Room Dual Entry Five Slides Sleeps Six Take this Elkridge fifth wheel with you on your next family road trip and you won't be disappointed! The front separate living room is just as comfortable as the one in your own home with its dual opposing sofa slides and theater seats with heat and massage capabilities, and the free-standing table will allow you and your family to enjoy time together as you take in the wonderful aromas coming from the three-burner range top in the kitchen. The king-size bed in the private bedroom will provide the ultimate relaxation each evening, and you will appreciate being close to the full bathroom when you wake up in the middle of the night. Increase your expectations for RV travel by indulging in an Elkridge fifth wheel. From the solidly built construction base with its welded aircraft-quality aluminum structure and one-piece walkable EPDM rubber roof, to the elegant exterior additions like the aerodynamic fiberglass front cap and deluxe power awning with LED lights, the Elkridge exudes its fine craftsmanship throughout every aspect of its design. The ceiling fan is a helpful feature for the warmer summer months because it will keep your guests refreshed with the cool breeze that it brings, and you will find many uses for the exterior shower with hot and cold water as you play outdoors or cook out at the campfire.                         </p>
