## 2021 Fifth Wheel Heartland ElkRidge

**\$63,400**

### Description

Stock #349652 - 2021 ElkRidge by Heartland (32RK) - Fifth Wheel RV in Charlotte, TN. Looking for a Fifth Wheel with a great floorplan that sleeps up to 6 comfortably? Look no further this 2021 Elkridge 32RK is loaded with all the features that make this fifth wheel feel like a home on the road. This RV has two roof-mounted AC units that deliver 28,500 BTUs of cooling capacity. Azdel laminated sidewalls - with lightweight non-wood substrate, sound barrier, and better insulation value - make this a great unit for extreme conditions! The furnace is 35,000 BTU and provides plenty of heat on those cold winter nights to keep everyone nice and warm. The Rear Kitchen Floor plan - (RK) provides a large, open galley (kitchen) with two opposing slides to open it even further. The cabinetry is lovely, and the kitchen island provides an additional eating space beyond the stand-alone dining table with four chairs. The corner countertop with the large farm-style stainless steel kitchen sink surrounded by the solid surface countertops provides extra counter space in the galley. The residential 4-door refrigerator/freezer and the microwave/convection oven over the range hood with vent, fan & light, over the 3-burner gas stove top with glass cooktop cover, over the gas oven below make this kitchen feel like you are right at home and ready to entertain for tailgating or family and friends at the campsite. When you enter the unit - you are in the middle of the camper - in the living area - which features two sleeper sofas that quickly convert into beds. The Entertainment Center features a wall-mounted flat-screen TV, Stereo System with a DVD player, Bluetooth, and a large electric fireplace that can be used for heating or just for ambiance. The Control Center is in a hidden cabinet behind the sleeper sofa facing the rear of the unit. As you head up the steps and down the hallway, the bathroom is on your left - it features a large step-in shower with a corner seat - and a skylight overhead for lots of natural lighting. The bathroom sink has an extended countertop to the right of the sink, a medicine cabinet over the sink, and additional cabinet space below the countertop. The porcelain toilet with a foot flush pedal is opposite the sink. The master bedroom features a King-size bed with a slide-out that creates additional space for walking around the bed. A dresser and overhead cabinets are on the wall at the foot of the bed. The large full-width wardrobe closet is also prepped for a clothes washer/dryer unit if desired. Outside, the large patio awning gives you shade at the campsite - the outdoor kitchen provides an extra refrigerator for drinks, and the two-burner stove top and cabinets provide plenty of storage space for cooking outdoors. Setup and breakdown are a breeze with the hydraulic 6-point leveling system at the touch of a button. The power cord takeup reel is a very nice bonus. All RV systems are clearly marked and easily accessed - power, water heater, water controls, exterior shower, sewer, and auto-leveling controls. Don't hesitate to contact us with any questions or to schedule an appointment to see this almost-new fifth wheel - you won't be disappointed!
