Description	<p>                             Description 2024 Heartland North Trail 27BHG, Heartland North Trail travel trailer 27BHG highlights: Rear Corner Bath Double Bed Bunks Rear Storage Door with Storage Beneath Bunks Single Slide King Bed Head out to your favorite camping spots and take along a few friends! This North Trail unit features a set of flip-up double bed bunks for four family members or friends, plus a private bedroom up front featuring a king sized gel infused 72" x 80" mattress for two more. Beneath the bunks, you will have storage space for bicycles and kayaks if you like, or just more storage for totes and things until you get to your camping spot. The private bedroom up front features a space saving sliding door and nightstands and clothing storage along either side of the bed. In the combined living and kitchen area, you will enjoy the added floor space thanks to the booth dinette and sofa slide. Outside, an awning offers more living space to enjoy both day and night. What are you waiting for, come check this unit out! When you choose a North Trail travel trailer by Heartland you are choosing comfort, convenience, and quality craftsmanship at its best. The block foam brick insulation, enclosed and heated underbelly, plus Weather Guard thermal protection mean you can camp all year around. Each model features a Wide Trax suspension for a smooth ride, and the backup camera prep and solar prep make camping that much easier if you choose those options. Some of the other exterior features you will appreciate are the outside shower, the power stabilizer jacks and power tongue jack, and the outside speakers to keep the party going. Head inside to find stainless steel appliances, oversized windows, and premium flooring that is tear, slip, mold, mildew and cold crack resistant! You can't beat a North Trail travel trailer. Choose your favorite floorplan today! Sleeps 6 Slideouts 1                         </p>
