Description

2018 Highland Ridge RV Open Range Light LF319RLS, This Open Range Light fifth wheel model LF319RLS features triple slides, a rear living layout with a fireplace, a convenient kitchen island on castors, and so much more! Step inside and move left into the main combined kitchen and living space. There are dual opposing slides which create a wide open spacious feel. To the left of the door there is a free standing table and chairs, plus theatre seating for two including cup holders and overhead storage in the first slide. Along the rear wall there is a tri-fold sofa with queen bed including end tables and overhead storage. Opposite you will find a second slide out with a three burner range including an overhead microwave oven, a refrigerator, pantry, and entertainment center with fireplace below. The kitchen island on castors can be moved around to where you need it most whether for prep space while cooking, or to place snacks on while you hang out and enjoy family time inside. There is also a double kitchen sink along the interior wall that features additional counter space and overhead cabinets, plus storage below. Step up the steps to the right of the entry door and find a complete bath and front bedroom suite. The bath provides a radius shower, sink, toilet, and linen cabinet. The bath also features a convenient pocket door that leads directly into the bedroom where you will enjoy a queen size bed including nightstands with open storage below and a cargo net on either side, plus a slide out wardrobe with mirrored doors, and drawers inside, plus so much more.
