Description

Stock #318425 - 500 square feet of living space! Surround sound (indoor and outdoor) with FM, AUX, and Bluetooth capability! Looking for a Fifth Wheel that has room for your family to enjoy their time on the road? Look no further this 2018 Open Range 371MBH by Highland Ridge is just what you've been searching for! The open floorplan with four slide-outs provides a great layout for your family to relax and enjoy their time together at the campsite or tailgating weekends! The unit has a large living area with dual recliners opposite the large entertainment center with a large flat-screen TV, stereo with Bluetooth and integrated DVD player, and an electric fireplace that can be used for heating or just ambiance! The sleeper sofa was removed and is no longer available - but this large open space can be used for different purposes, or a replacement sleeper sofa can be added to bring the sleeping capacity up to 8 and provide additional seating in the living area. If desired, the dining table has two chairs and an open space for additional chairs or a bench seat. The galley is fully functional with a microwave over a hood fan/vent/light over the 3-burner stove top and gas oven below. This unit's residential refrigerator/freezer provides you with all the space you need to keep everything nice and cold. The kitchen island features a double kitchen sink with matching countertop covers to the solid surface countertop. A large pantry closet to the left of the cooking area provides ample storage space. There are overhead cabinets over the sofa space, the recliners, and over and below the countertop space and below the island counter space. The mid room features a sofa sleeper, a desk area, and plenty of closet space - providing options if you are living on the go and need an office. This area would be perfect for that. As you head up the steps towards the master bedroom, a loft bed over the mid-bunk room provides yet another sleeping area. The bathroom is on your left as you continue up the hallway. It features a large step-in shower with a corner seat with skylight overhead for lots of natural light in the bathroom area. The corner bathroom sink with medicine cabinet overhead and additional storage space below. The bathroom has a private entrance from the master bedroom with a pocket doorway. There is a linen cabinet and an additional countertop space with a pull-out shelf as a vanity if desired. The toilet is opposite the sink. The master bedroom features a large queen pedestal bed with storage space below. A dresser and TV is on the wall at the foot of the bed. There is also a large wardrobe closet with sliding mirrored doorways and an additional cabinet prepped for a clothes washer/dryer unit if desired. The unit has dual 13,500 BTU AC units and a lighted control panel in the cabinet found in the hallway near the steps. Outside, the large patio awning provides the ability to enjoy the outdoors under shade and is a great place for tailgating. The large pass-thru storage compartment has ample exterior storage. All of the RV systems are clearly marked and easily accessed around the unit - including propane tanks, auto-leveling system, power, water control panel, sewer access, water heater, and more.
