Description

Stock #387881 - Excellent condition! Solar, 5500W generator, stacked washer/dryer, large master, bunkhouse with loft, outdoor kitchen setup, the works! Looking for a Great Fifth Wheel for your family's next adventure? Look no further - this lovely 2021 North Point 377RLBH is family-friendly and loaded with features that make this a great choice for your future adventures! This RV features the Jayco 5 Star Handling Package that is sure to make your towing experience feel like a breeze. The layout adds to the exceptional value with sleeping for a minimum of eight people. The dual roof-mounted AC units keep it cool on the hottest of days, and 60 Amp converter with Charge Wizard technology and battery selector allows you and your family to keep your devices charged and ready to go! The layout is family-friendly from the moment you step into the RV - the four slides create an open floorplan with room for everyone to enjoy their time on the road, and the front living room creates a great place for visiting with friends or a family gathering. The sofa located in the living room area quickly converts into a queen bed and the powered theater seating facing the large flat-screen TV provides a great place for watching the big game or your family's favorite movie. The LED fireplace is certainly a welcome and homey touch that can be used for heating or just ambiance. The galley is fully equipped with a convection microwave and a 4-burner stove top with a full-size gas oven below. It also boasts an island with large double kitchen sink with a gooseneck faucet and matching covers for the sink provides great countertop working space when needed. The residential refrigerator with an ice maker is great for entertaining or just a quick drink on the go. There are plenty of cabinets above and below the solid surface countertops for storage space. Just to the right of the Galley is the Mid-Bunk room with a bunk bed, a love-seat - that quickly converts into a bed, a desk with a wall-mounted TV. There are several cabinets and plenty of storage - making this a great kids bunk room or an office when on the road. There is a Queen-sized Loft over the mid-bunk room with access from the hallway at the top of the steps. The control panel is a touch-screen panel with full access to all systems in one spot. The full bathroom is located in the hallway with a large shower with a corner seat and overhead slide-light for late afternoon light in the

snowy with a corner seat and overhead skylight for lots of natural light in the bathroom. The bathroom includes an oval sink with a medicine cabinet above and additional storage below the countertop - and, of course, the toilet. The RV is equipped with a 10-gallon water heater - so you never have to worry about running out of hot water! The master suite is a great space for privacy and comfort - featuring the queen bed with a decorative headboard and a large wardrobe closet with sliding mirrored doors. The closet and dresser provide great space for storage. The wall-mounted TV provides the opportunity to catch your favorite movie or show in bed. The cabinet to the left of the bed is equipped with a stacked washer and dryer. Outside, the RV has a two large power patio awnings that allow you to enjoy the outdoors at the campsite. It also has a compartment just to the right of the entry door - that is equipped with a Blackstone Grill and a mini-refrigerator. The large pass-through storage compartment is just to the right of the grill. All of the RV Systems are clearly marked and easily accessible around the outside - there are large storage compartments with easy access to them around the RV. The RV is equipped with a Cummins Onan 5500 kW generator, six-point auto-leveling system and much more.
