### Description

2023 Keystone RV Alpine 3720MD, Keystone RV Alpine fifth wheel 3720MD highlights: Flip-Up Desk Two Bedrooms Dual Entry Bathroom Kitchen Island Rear Living Area Heated Basement Storage You won't believe all that this fifth wheel has to offer! From the front private bedroom with a king bed slide that has storage underneath across from a bench and chest, and a front master closet that is prepped to add an optional washer and dryer to the two power awnings and LCI Solid Step entry step. There is even a mid den room with a hide-a-bed sofa sleeper slide across from a feature wall with a TV/stereo, a storage locker next to a mirror, and a flip-up desk to get some work done while you're away. As you step up to the dual entry bathroom and front bedroom, you will notice a handy message center to your left on the wall. The kitchen has everything you will need to prepare your best home cooked meals including a convection microwave to pop a bag of popcorn for movie night. Speaking of movies, you can watch your favorite one on the 50" TV with sound system with a 40" fireplace below it while you relax on the Thomas Payne theater seating equipped with heat, massage, LED lights, and USB charging stations or on the hide-a-bed sofa sleeper! Luxury is not an option, it is a standard with each one of these Keystone RV Alpine fifth wheels! A 100" wide body construction, almost 7' tall slides, high ceilings, and panoramic frameless windows create an open, residential feeling. The Tru-Fit slide construction is more durable and minimizes motor structural stress, as well as resists leaking. Exclusive 12V color-coded wiring is different from conventional RV wiring in that it is easy to trace and clearly labeled to help savvy owners with DIY diagnosis/repair and helps dealer service techs troubleshoot/repair quickly which saves you time and money. The in-floor heat vents run straight through the unit and are typically positioned in low-traffic areas just like in your home for a more efficient air flow, plus it helps to keep the cabinet storage space.
