Description

2022 Keystone RV Alpine 3790FK, Keystone RV Alpine fifth wheel 3790FK highlights: Underbed Storage Front Kitchen Dual Sink Vanity Middle Living Area Hitch Vision Heated Basement Storage The chef of your group will love cooking in the front kitchen of this fifth wheel! The kitchen not only has extra countertop space to prepare your meals, a convection microwave, and 18 cu. ft. gas/electric refrigerator, but also a bar top with two bar stools overlooking the middle living area. Inside the living area is opposing tri-fold sofa sleeper slides that can be converted for extra sleeping spaces and Thomas Payne theater seating with heat, massage, LED lights, and a USB charging station across from an entertainment center with a 40" fireplace and 50" TV. The master suite has a king bed slide that has storage underneath and a chest with wardrobes on either side, plus access to the full rear bathroom which has a walk-in shower, a dual sink vanity for two to get ready at once, and an area prepped to add an optional washer and dryer! Luxury is not an option, it is a standard with each one of these Keystone RV Alpine fifth wheels! A 100" wide body construction, almost 7' tall slides, high ceilings, and panoramic frameless windows create an open, residential feeling. The Tru-Fit slide construction is more durable and minimizes motor structural stress, as well as resists leaking. Exclusive 12V color-coded wiring is different from conventional RV wiring in that it is easy to trace and clearly labeled to help savvy owners with DIY diagnosis/repair and helps dealer service techs troubleshoot/repair quickly which saves you time and money. The in-floor heat vents run straight through the unit and are typically positioned in low-traffic areas just like in your home for a more efficient air flow, plus it helps to keep the cabinet storage space.
