Description

2023 Keystone RV Cougar Half-Ton 29RKS, Keystone Cougar Half-Ton fifth wheel 29RKS highlights: Rear Kitchen Theater Seating Booth Dinette Outside Kitchen 20' Electric Awning You'll have all that you need to enjoy every adventure with this Cougar Half-Ton fifth wheel! A 60" tri-fold sleeper sofa, theater seating, and a booth dinette give you comfortable accommodations to offer to any friends that stop by, and you'll be able to offer them more than just a place to sit because the 21" Furrion range and microwave will allow you to prepare sweet treats for those guests. If you all head out to look at the stars, you can grab some extra lawn chairs from the exterior pass-through storage compartment. The Keystone Cougar Half-Ton fifth wheel and travel trailers are known as one of America's favorites for a reason! Some of those reasons are the exclusive features that come from Keystone, like the preparations for 4G and Wi-Fi, the in-floor heating ducts, and the Hyper Deck flooring. The Cougar Half-Ton has a Climate Guard protection package to keep you safe during inclement weather, and you'll also find an iN-Command Generation 3 with global connect. Use the 21" Furrion range with Piezo ignition to create all of those familiar meals from home, and take charge of how you camp with the SolarFlex 200 solar power system which has been fully integrated during the building process so that you don't have to worry about trying to add it on after purchase. This system provides continuous charge to ensure the operation of 12V systems and to protect your battery.
