## Description

Description 2024 Keystone RV Cougar Half-Ton 29RLISE, Keystone Cougar Half-Ton fifth wheel 29RLISE highlights: Kitchen Island Opposing Slides Private Bedroom Theater Seating Sleeper Sofa Two Electric Awnings You will have the time of your life in this Cougar Half-Ton limited run special edition fifth wheel! There is so much comfort with the theater seating and 68" tri-fold sleeper sofa with end tables in the living area, and the comfort is taken up a notch with the addition of the fireplace below the entertainment center. You also have lots of space in this area because of the opposing slides, so you can work freely around the kitchen island preparing dinner or washing dishes. The booth dinette is right next to the kitchen, so you won't have to go far to set the table. The pantry is big enough to keep your favorite foods stored away, and the 10.4 cu.ft. refrigerator can hold the items that need to be kept chilled. The Keystone Cougar Half-Ton fifth wheel and travel trailers are known as one of America's favorites for a reason! Some of those reasons are the exclusive features that come from Keystone, like the preparations for 4G and Wi-Fi, the in-floor heating ducts, and the Hyper Deck flooring. The Cougar Half-Ton has a Climate Guard protection package to keep you safe during inclement weather, and you'll also find an iN-Command Generation 3 with global connect. Use the 21" Furrion range with Piezo ignition to create all of those familiar meals from home, and take charge of how you camp with the SolarFlex Protect that comes standard, or choose the optional SolarFlex Discover or optional SolarFlex Outlast for even more off-grid capabilities. Sleeps 5 Slideouts 3
