Description

2024 Keystone RV Cougar Sport 2400RE, Keystone Limited Edition Cougar Sport fifth wheel 2400RE highlights: Rear Kitchen with Butler Pantry Tri-Fold Sofa Sleeper Private Front Bedroom 16' Awning Rear Pass Through This lightweight fifth wheel is big enough for your small family to camp together! Enter to find a convenient combined kitchen and living space with large slide for added space. The slide features a tri-fold sleeper sofa and booth dinette which offers ample seating for meals and hanging out. There is a flip up table along the rear wall with a nearby 40" LED TV which features a butler pantry behind. Head up the steps to the right of the entry door to a complete bath and private front bedroom featuring a queen size bed with dual shirt wardrobes and nightstands on both sides of the bed. There is also a wardrobe off the foot of the bed along the inside wall with two convenient drawers as well. The bathroom offers a shower with skylight for added headroom and natural lighting. You will also appreciate the medicine cabinet over the sink for your personal items. Outside, a 16' awning provides added living space protected from the elements! The Cougar Sport structural I-beam frame with stamped steel cross-members and outriggers, plus its laminated sidewalls with five-sided aluminum superstructure and Alpha Super Flex roof membrane are what active RVers love about the construction of the Cougar line, and the Cougar Sport limited edition models are no exception when it comes to a great package, as well as being smaller and lighter weight than their big brother Cougar models. A one-piece, heated and enclosed polypropylene underbelly means a longer camping season. On the inside, residential shaker style hardwood cabinet doors and decorative crown molding, plus seamless pressed countertops and an on-demand water heater will make your unit feel even more like home. You are also sure to appreciate the shiplap style decorative accent wall behind the bed, a porcelain foot flush toilet in the bathroom, plus residential kitchen hardware, and so much more.
