This unit offers a 12' 6" garage space for your toys, and a luxurious living area for you and your friends to hang out when you aren't playing outside. Once your toys are unloaded turn the garage into a living area or a place for your kids to enjoy. There is a loft, dual opposing sofas, and an electric queen bed for relaxing, playing games, or sleeping at night. The 40" TV can be used for entertainment throughout your trip or maybe just for a special movie night. Fuzion toy hauler fifth wheels are "More than a Garage." They give you a place to store your toys while you are traveling yet give you the comforts of home. All of the countertops are solid surfaces, so cleanup is a breeze and all the storage in these units are solid cherry hardwood. The things that set Fuzion apart is the 5K Interlock System that they have created. This system is the toughest tie-down around! Each tie is welded into the metal which makes each tie down virtually unbreakable and can hold up to 5,000 lbs. Along with the tie-down system, you also have Dexter EZ Lube Axles which allow grease to flow to both inner and outer bearings easily. The In-Command RV automation and control system is something you don't want to miss out on. This system controls all the lights, the 6pt Hydraulic Level-Up System, the awning, plus so much more all within an app on your phone. You don't need to settle, choose the "Hottest Brand in the Industry." Sleeps 9 Slideouts 3
