Description

2024 Keystone RV Montana 3761FL, Keystone Montana fifth wheel 3761FL highlights: Bath and a Half Front Living Area Master Suite Pantry/Buffer Outside Shower Rear Storage Life will be easier at the campground in this fifth wheel with a bath and a half! The full rear bathroom has a 48" x 30" fiberglass shower with a seat and skylight above, a linen closet to keep your towels close, a dual sink vanity for two to get ready at once, and a barn door to close off the master suite. The bedroom also has a king bed slide with storage underneath across from a dresser with a 32" Smart TV and wardrobe, as well as a large closet that is prepped to add an optional washer and dryer. The chef can prepare their best meals with the kitchen island, the glass top range with convection microwave and range hood with a pull-down spice rack, plus there is a pantry/buffer and a free standing legless dinette to enjoy your meals at. The front living area will have you feeling right at home with the front entertainment center that has a telescoping 50" Smart TV, a 5,000 BTU decorative fireplace heater, and storage on either side. There is also opposing hide-a-bed sofa slides for extra sleeping spaces and power Thomas Payne theater seating for even more comfort! Take charge of how you camp in one of these luxurious Keystone RV Montana fifth wheels! The high quality SolarFlex 200 delivers an affordable solar energy system that eliminates the guesswork and can be built on to meet your exact needs. Keystone's exclusive 12" I-beam chassis with z-frame technology has been reengineered to be stronger, lighter and built for "the long haul". A few other construction features you will appreciate include a Road Armor suspension, 2" thick CNC routed, dual-layered I-Beam high gloss fiberglass sidewalls, a MaxTurn front cap with KeyShield automotive-grade paint, and a fully walkable roof with an Alpha seamless TPO membrane system. Their strikingly stylish interiors are designed with beautiful maple hardwood cabinetry, a pull-down spice rack, and an indoor/outdoor central vacuum, plus a Blade Pure airflow system for clean, quiet, and cool air!
