You enter this unit into the kitchen with the bedroom in front and the living area in the rear. At the back is a tri-fold sleeper sofa that converts into a queen-sized bed. Going forward, the two power recliners are on the right, and they are directly across from the entertainment center, which features a television on a lift and an electric fireplace. This island kitchen has a dinette and appliances on the other. In the kitchen, you have a four-door refrigerator freezer. You also have a three-burner stove, a conventional oven, and a microwave oven. A pantry is located next to the steps. Up the steps and to the right is the large bath with a shower with built-in shelves for your toiletries. It also has a linen closet. Across from the bath is a prepped closet for a washer/dryer. In the bedroom, there are two large wardrobe closets, a queen size bed, and a pop-up TV at the foot of the bed. Each side of the bed has a nightstand. This one is easy to set up with the auto-leveling hydraulic jacks. The passthrough storage has over 200 cu ft of storage, and you have a roof access ladder.
