### Description

Stock #401543 - Beautiful fifth wheel ready to get your next adventure started! Must see! This is a tremendous opportunity to purchase this lightly used 2021 Cougar (by Keystone) 354FLS. Not only has it not been used that much, but when it has, it has been stored in a climate-controlled garage, protecting it from the sun and heat of Arizona. The 354FLS model features a spacious front living area, a distinguishing feature of front living space floor plans. This layout includes large windows and comfortable seating such as sofa sleeper and theater recliners. It also features an entertainment center with a large flat-screen TV and a fireplace. The rear portion of the fifth wheel usually houses the bedroom, kitchen, and bathroom areas. The kitchen features stainless steel appliances, and the bedroom has a queen-size bed and a plenty of closets and cabinets for clothing. This Cougar also features the Cougar Climate Guard, designed to enhance the RV's insulation and weather resistance, making it suitable for camping in various climates, including cold weather.
