Description

Stock #364812 - 2021 Keystone Montana 3931FB with three slide-outs! Like most Keystone fifth wheels, the Keystone Montana is laid out extremely well for space and comfort. The transition from the living room to the kitchen is well thought out and surprisingly separated. The interior colors with light whites and grays have the new earth color accents you would expect. The master bedroom is laid out with a nice comfortable King Bed, a ton of closet and drawer storage, and more storage under the bed. Central Vacuum system is great for quick cleanup! With 1 1/2 baths, when you have guests, you won't have to worry about guests using your private master bath area. Don't let this one get away. It is modern and ready to go!
