The wall-mounted free-standing table with an extension and residential dinette chairs offer dining inside as well as a place to work from if needed. The master suite allows you to sleep like a king, and watch the pop-up 32" TV with a fireplace below. There is a wardrobe, and a closet with removable shelf and a place to add a washer/dryer option. And you can easily enter the double entry bathroom through a pocket door to enjoy dual sinks, linen storage and the Signature Spa walk-in shower with teak wood seat. With any River Ranch fifth wheel by Palomino, you will love the practical living, the storage, the tow ability, and the lavish style in each luxury RV! There is a 7' interior height and a 101" wide body for added space, plus frameless windows, worry-free composite floors, and vacuum bonded walls with Azdel for durability. The River Package is a mandatory option you'll love having with features such as, a touch screen control operating system, a MORyde LRE4000 suspension, and three A/C's units with an energy management system. These fifth wheels also include the Ranch Package that comes with a memory foam mattress, stainless steel residential appliance package, MCD day/night roller shades, plus a JBL sound system.
