### Description

2022 Prime Time Crusader 335RLPA HIGHER STANDARD Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart.
