## Description

READY FOR SALE 2024 Prime Time Crusader 395BHLA HIGHER STANDARD Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart. The 395BHL is a two-bedroom unit with an extra half bath PLUS a bonus loft! The loft bedroom is located in the rear, away from the main bedroom for extra peace and quiet. This area also has its own entry door for additional convenience. The central living area includes an entertainment center, theater seating, and an island kitchen with residential appliances, hutch with pantry, and a free-standing dinette option. The front bedroom is extra roomy thanks to a slideout, and features a king bed.
