Actual unit and options may differ.\*\*\* Check out some jaw dropping videos of the OPUS in action: <https://www.opuscamper.us/videos/OPUS-4-SLEEPER> The OPUS Off-Road features an upgraded, all-terrain chassis with off-road ready tires and independent coil suspension, perfectly suited to follow you wherever you want to go. Tough Luxury By using our AIR-inflated technology, we allow for a much larger interior lounge. In addition to our 8-foot ceilings, the OPUS is equipped with a ton of windows and skylights to ensure you feel like you're still outdoors! Adventure Ready... With extra storage, more power and on-board water the Offroad has all you need to explore further. Rapid Deployment... The tent inflates on its own in under 2 minutes, leaving you to set up the rest of camp. Simply open and secure the bed ends and turn on the switch. It's that easy!
