Description

FINALLY BACK IN STOCK AFTER A YEAR OF WAITING!!! CALL AND RESERVE YOUR 2023 MODEL TODAY! OP 15' Hybrid Caravan The OPUS OP 15' is an off-roading, hybrid caravan built with tough luxury in mind. It supplies a spacious, high quality bamboo interior and gives plenty of room for the whole family, both in storage and living space. ***stock photos used*** Deploy with EaseThe OPUS hybrid caravan has a pop-up roof for more headroom, and an extendable rear to allow for a much larger interior cabin. It is small enough for any road when packed down, and large enough for any family when parked at camp. Get Off the Grid3 100ah AGM batteries linked to a 300watt solar system keep you powered on the go. An articulating hitch sits at the end of a galvanized steel chassis to tackle the roughest roads with ease. Underneath there are twin shock absorbers and trailing arm independent suspension for each wheel. Stainless Steel Slide-out KitchenA full kitchen experience comes in the form of an external fridge, slide out stainless steel kitchen, stainless steel chopping board, prep deck and pantry access that are all in arms reach. Room for the Entire FamilyThe spacious interior is loaded with a king bed and twin bunks to fit even the largest of families. By placing the fully functional kitchen outdoors, we've maximized the indoor space. Luxurious Interior CabinThe interior is loaded with a leatherette dining area, full-sized bamboo dresser, and a shower/toilet combo. To handle any weather the OP 15' supplies on demand hot water, an interior heater and built-in AC all as standard. The OP 15' was built for adventurers and overlanders alike, with a goal to get outdoors and explore what nature has to offer.
