Description	<p>2023 Forest River RV Timberwolf 39NA, Forest River Timberwolf destination trailer 39NA highlights: Bath and a Half Triple Slides Front Living Area Fireplace Private Bedroom Kitchen Island Spacious and comfortable describe this Timberwolf destination travel trailer featuring triple slides with dual opposing slides in the living area which creates a wide open space for a dining table and four chairs, two lounge chairs, an entertainment center with fireplace, and sofa along the very front wall. The roadside slide also houses the kitchen appliances which include a refrigerator, stove and microwave oven. There is a pantry and a hutch adjacent to the slide, and a kitchen island for more food prep space, and this is where your sink is located so you can be facing all of the seating areas in the room while prepping meals and doing the dishes. A centrally located half bath is convenient just inside the main patio door entry. Towards the rear of the coach, a private bedroom featuring comfortable sleeping along with storage space for your clothing. In the very back, a master suite bath featuring a vanity with dual sinks, a shower with a seat, linen storage, and a wardrobe that has been prepped for a stackable washer and dryer if you choose to add. You will love the outside TV mount and 21' covered awning space to create a nice size outdoor living area to enjoy on sunny days or pleasant evenings. You're going to want to take a closer look at the Forest River Timberwolf destination trailer! These trailers have a backup camera system which will be extremely helpful as you maneuver these large units into the right spot. Some of the construction features include a seamless roofing membrane with heat reflectivity, a premium wheel package, power gear frame technology with space-saver rail design, and an armored underbelly tank enclosure. Use the USB charging stations to keep your phones ready to go, and stay in control of your trailer's electrical functions with the total control app and remote control system.</p>
