The bathroom is decked out with a 50" walk-in shower, linen closet, and skylight, and the private bedroom also has plenty of convenience with its king bed slide, closet, and optional prep for a washer/dryer, and the second exterior entry door. You just can't beat the Forest River Wildwood Lodge destination trailer! These trailers create the perfect camping destination in and of themselves. The 8' interior ceiling is accommodating even for the tallest person in your family, and the extra large window package in the main slide includes cross ventilation to let the breeze flow through. The upgraded designer furniture is going to keep your family comfortable as they relax, and the heated/enclosed accessi-belly is a feature that will allow you to camp in cooler weather conditions. Each model includes stainless steel kitchen appliances, a central vacuum with a sweep attachment, a Serta mattress, and kitchen backsplash to name a few comforts.
