Description

2014 Coachmen RV Clipper Camping Trailers 1285SST Classic, This 1285SST Classic Clipper folding pop-up is the perfect camper for enjoying the outdoors. As you step inside you immediately appreciate the spaciousness that is created once the two king size tent end beds are slid out into place. The 45" x 74" booth dinette slide helps create even more interior space along with providing convenient storage below the seats. It also can be made into an extra sleeping space if needed by folding down the table. There is a 3 burner range for cooking light meals and snacks, and there is a single kitchen sink for quick clean-ups too. You will also find plenty of extra seating besides the dinette with a lounge bench seat. Keep yourself feeling fresh and clean with a built-in shower and enjoy the convenience of the Thetford cassette potti also. The sliding exterior storage box is easily accessed from either side of the camper as well.
