Description

Description 2024 Forest River RV Rockwood GEO Pro G19FDS, Forest River Rockwood Geo Pro travel trailer G19FDS highlights: Full Rear Bath Outside Griddle 72" Sofa 32" Booth Dinette Convection Microwave Comfortable sleeping space, convenient seating space, and a full rear bath makes this couple's trailer the one! You will love being able to relax on the sofa during the day, and sleep on the Murphy bed at night. There is a single slide out that will provide you more space to move around or cook meals, and the full bath includes a large shower so you won't feel cramped. If it's a rainy day you can watch movies on the 32" 12V TV, and if it's nice out, sit under the 14' power awning and cook lunch on the outside griddle. The possibilities are endless with this couple's trailer! The optional Power Package available on this model includes three 200W solar panels, a 30 Amp solar charge controller, two Mastervolt smart remotes, and more off-grid features! With any Rockwood GEO Pro travel trailer by Forest River you will enjoy easy towing, durable construction, and off-road capabilities with larger 15" tires and a lift kit! Package A includes a 200W solar panel and an 1800W inverter to go off-grid when you want, a tire pressure monitoring system and Key Alike door and compartment locks, plus a power awning to relax outdoors. Each model is constructed with complete composite wall construction for added strength and durability, and the torsion axle, Rubber-Ryde suspension will make towing easier than ever. Inside, you'll find sleek roller shades and hidden hinge cabinet doors, a 12V refrigerator and a microwave, plus a 20,000 BTU furnace to keep you warm during the colder camping months.
