2021 Toy Hauler Cruiser RV Stryker

\$58,800

Description

Stock #345142 - Stryker appearance package, 5500 Gas Generator, Rear Patio option, 2nd A/C unit, 4 season packageThe name of this Toy Hauler fits its appearance; this RV is very "striking" and super sharp in the Black, white and red appearance package. Has undercarriage accent lights as well. This is a beautiful camper and highly versatile.This toy hauler has a GVWR of nearly 13,000 pounds; it has been built to last and haul your toys without any problems. Look at the pictures; one cool thing is that the RV has a factory roll-out carpet to cover up the interior garage floor once you get parked and unpacked. I found this to be a very nice feature.The unit has many upgrades, which include an electric power hitch, towing sway bars, and front/rear electric leveling jacks. The RV has been upgraded to a four-season camping package; this helps keep you cool in the summer and warmer during the colder camping seasons. Also, this RV has an added front A/C unit, so you get two 15,000 BTU A/C units for maximum cooling power. Unlike many bumper-pull trailers, the RV has 50 AMP service. You will also enjoy having an Onan gas generator, and the outboard fueling station holds 30 gallons which can be used to fuel up your toys or run your generator. The exterior awning is powered and is an impressive 19 feet in size. Enjoy the outside in comfort and style. The interior of this RV is very well laid out, great kitchen design, lots of cabinets, and lots of storage space, and the rear patio has a plastic/vinyl curtain that can help keep the cool in and the bugs out! The RV has three sleeping areas, a fold-out couch, power bunk beds in the rear, and a master suite in the front. The bathroom is of good size, and the round shower design gives you more usable room.This RV is perfect for the family who wants to get away from it all or for the couple or retired couple who wants to have a home on wheels to hang out somewhere during the winter when it is warm. Bring your motorcycles, ATVs, or golf cart, or enjoy the space of this versatile trailer; this unit offers many possibilities! This RV could be used for a getaway camper/cabin on your favorite lake. Use this unit for a mobile office; if you have tools to haul, this trailer could give you the ability to do that, providing you office space and a place to stay all in one!Call us today with any questions or to set up your private showing.
