Description

Stock #377209 - Great 44' toy hauler prime for long boondocking trips. Solar, huge holding tanks, generator, and 12' garage. If you're looking for the perfect dune toy hauler without a huge price tag, this one is for you. With 160 gallons of fresh water, two 48 gallon black tanks (1.5 baths), two 48 gallon gray tanks, a 5.5KW generator with low hours, four solar panels keeping up with four 6 volt batteries, a 2,000 watt inverter, sleeping for nine, a huge fridge, and loads of space, one or two weeks off grid should be a breeze! (The seller thinks the panels are 200 watts each but could be lower. The charge controller is 30 amps.) It features two 30 gallon gas tanks. One feeds the generator and the second a fueling station for your toys. Add to that a King bed in the master, four TVs with satellite dish, and loads of storage, take friends and/or family, or stay longer with fewer guests. This is a great rig for the forest or dunes!
