Description

Stock #378738 - 2018 Voltage, 39' Toy Hauler with upgraded tires! 3 slides! Equipped with a generator and an external fueling station, this 2018 Voltage 3305 Toy Hauler is well-suited for remote-site camping where you can bring your off-road toys. The kids will enjoy climbing into the twin-size loft bed or bringing down the Lay Flat Happy-Jack Power Bunk in the garage. In addition to a fence-enclosed garage patio extension, there's room for a washer and dryer in the garage if space allows after bringing your toys. From the standard RV-size kitchen area, you step up into the master bedroom. There, you will find a queen-size bed and plenty of closet space. A central Dirt Devil vacuum cleaning system will make cleaning up a breeze. The exterior features a pass-through storage compartment that can accommodate longer items you may want to bring along and an outdoor entertainment locker featuring a television and speakers.
