Description

Stock #344599 - 2014 Dutchmen Voltage 3990 with three slide-outs! This 2014 Voltage 3990 by Dutchmen is beautiful! A very well-kept fifth-wheel toy hauler with all the amenities you need on the road! There is a reason the Voltage is one of the most popular and sought-after toy haulers. It comes down to a well-thought-out design. As soon as you step inside, you will be impressed with the attention to detail, from the gourmet kitchen, tall ceilings, and large master bedroom with a king-size bed and large wardrobe. With the comfort of a king-sized bed in the main bedroom and a large master bath with a tub/shower, you can be comfortable and consider this a full-time living model. There are washer/dryer hookups and a central vacuum. There is an electric fireplace in the living area that also heats up the room, four comfortable recliners, a nice TV and entertainment center, and plenty of cabinets and storage space. The kitchen has a microwave/convection oven, a stove/oven, a full-size fridge and freezer, and a kitchen island with a double sink. With a large 12-foot garage, you will have plenty of room to bring along your ATV, side-by-side, or golf cart and all the tools and gear needed to go with it. The outside space also has a dinette and an outside TV and speaker system. The dinette converts to a queen-size bed. There is a pull-down bed as well and another loft bed inside. Outside, the entertainment center with a TV and sound system will make tailgating or any outdoor activity even more fun! There is also ample clean storage areas under the unit for increased capacity.
