### Description

Stock #305872 - Exceptionally well kept 2016 Forest River XLR Thunderbolt. This 2016 Thunderbolt XLR 385AMP by Forest River is located in Dacono, Colorado. The sellers have liked traveling in the unit. One of the nice features is the King Size Murphy bed located in the rear of the unit. It provides plenty of space when not in use. The rear ramp becomes a nice deck area that lets you enjoy the outdoors when not loading your toys. The four slide-outs open the unit once you're ready to camp out. They provide a ton of additional space. The rear living space in this unit can be used as a garage, bunkhouse, dining room, game room, man cave, kennel, or mobile office. Solar panels are a great feature if you want to be off-grid. The extreme weather package offers the following. Dual Pane Windows, 12V Heated Holding Tanks, Ducted Heat, and Radiant Roof/Floor/Slide Out and Floor Insulation. We are looking for people all over the country who share our love for boats/RVs.
