Description

Stock #389805 - 2014 Momentum by Grand Design (385TH) - Fifth Wheel Toy Hauler in Pittsburg, TX This 2014 Momentum 385TH is a 42' toy hauler in Pittsburg, Tx. Manufactured by Grand Design, the Momentum brand is one of the most popular in the toy hauler segment today. The seller has an ungraded Reese gooseneck hitch system installed on the unit and considers this an upgrade over the standard fifth wheel. Featuring a large 12' garage with an onboard fuel tank and Cummins Onan generator, this rig is excellent for getting off the grid and staying there! One of the best features is the high-level premium interior and living layout. It features solid surface countertops and many residential conveniences such as a washer, dryer, and king-sized bed. The seller recently replaced one of the three rooftop a/c units, and he states one of the units is also a heat pump to complement the built-in furnace system. The garage area also features a drop-down bed that enhances your sleeping capacity and has handy access to the half bath. Outside are tons of front pass-through storage and two power awnings to relax under the sun! If you are ready to start some adventures and need a way to haul your side-by-side golf cart or other gear, this Momentum 385th can easily handle it!
