Description

Stock #398156 - Beautiful fifth wheel! Very clean and ready to get your next adventure started! Step into adventure and luxury with the 2019 Jayco Seismic Toy Hauler 4114. This formidable beast has been safeguarded in a heated garage for the past three years, preserving its impressive condition for the next lucky owner. Stretching 45 feet long and supported by a tri-axle design, this toy hauler is a testament to spaciousness and versatility. With a generous 14-foot garage area and three slideouts, there's ample room for all your gear and more. And when it's time to rest, this marvel sleeps eight comfortably, ensuring everyone has a cozy haven to call their own. As you step inside, you're greeted by a world of comfort and convenience. With two full baths, including one in the master suite, luxury knows no bounds. The back gate transforms into a complete patio, perfect for soaking in the sunset or entertaining friends under the open sky. Relaxation takes center stage with a queen master bed and a bunk bed in the garage area, ensuring a restful night's sleep. And with a washer/dryer hookup in the garage, keeping your gear fresh and clean is a breeze. The living room beckons with an upper bunk bed and four full-size recliner chairs, two of which boast heat/cool/massage features, allowing you to unwind in style. And when the temperature drops, cozy up by the living room fireplace, enveloped in warmth and serenity. But the luxury doesn't end there. Accent lighting inside and out sets the mood for any occasion, while outdoor amenities like the refueling station, outdoor refrigerator and cooktop, and outdoor shower make life on the road a true pleasure. Equipped with a Cummins Onan 5.5kW generator, automatic leveling, and a central vacuum system, this toy hauler is ready for whatever adventure awaits. With a full-size refrigerator that runs on electricity or propane, a convection microwave, and tons of cupboard space, gourmet meals have never been more accessible. So why wait?
