### Description

2023 Keystone RV Raptor 362, Keystone Raptor toy hauler 362 highlights: Dual Entry Doors Loft Front Private Bedroom 3-Seater Recliner Exterior TV You won't want to camp any other way once you step inside this toy hauler! It features a front private bedroom with a residential queen bed that can be switched for an optional Raptor king bed, wireless phone chargers on either side of it, a wardrobe slide, and an entrance into the dual entry bathroom. Prepare your best home cooked meals with the U-shaped kitchen then enjoy them at either the dinette with one sided booth seating or the dual opposing sofas with a table in between in the 13' garage area. The garage also has an electric bed above the sofas and a loft with a twin bed above an area prepped to add an optional washer and dryer. Exit the garage with one of the dual entry doors to the unit and then grab a cold drink from the outside mini fridge and watch the big game on the exterior TV while staying protected by the two electric awnings! Experience a breath of fresh air with one of these Keystone RV Raptor fifth wheel toy haulers! Their rugged construction consists of a walkable one-piece Alpha Super Flex TPO roof with aluminum flashing, G-rated tires, Dyna Span floor decking, and frame-welded tie downs to keep your toys in place as you travel. With an on-demand water heater, you can have an endless amount of hot water when you need it. Some unexpected conveniences you will appreciate include an Omni-Chill A/C system to keep you cool on those hot summer days, a Furrion backup camera and HitchVision to prevent damages, and a Generation 3 iN-Command smart automation system with Global Command to make life easier. Soft-close hardwood cabinetry makes for a quiet closure to enjoy undetected late night snacking, and the MORryde zero-gravity ramp door makes it easy to load and unload your toys. Come find the right one for you today!
