Description

2024 Wayfinder RV Go Play 263TH, Dollar-for-dollar, Go>Play is the value-champ of travel trailers. Compare top camper brands like Cherokee, Coleman, Wildwood, and Jayco. Call/text 1(844)646-7529 to confirm pricing and availability. Go>Play Interior The Nordic Shore interior aesthetic seamlessly blends modern and contemporary elements. Leveraging lighter colors and durable materials, Go Play delivers a cozy interior without compromising structural integrity. Combining residential construction practices such as 16" on-center structural framing, cut & glued batten insulation, 5/8" thick tongue & groove floor decking with pocket-screwed, mortise & tenon cabinet construction with 75 lb. ball bearing drawer guides and hardwood cabinet doors to ensure durability and elegance. Pressed membrane kitchen countertops, a three-burner cooktop with a high output front burner, a double rack oven and microwave provide a sleek and easy-to-clean space for food prep while the range hood effectively removes smoke and odors from the kitchen. A residential high-rise faucet, single basin under-mount sink, 11cu/ft dual swing door 12V refrigerator, and residential vinyl flooring, ensures practicality, making clean-up a breeze. With an 81" ceiling height, a true 96" wide body, adjustable A/C vents, pleated blackout night shades, and LED internal lighting, the main living area is created with comfort in mind. The 13,500 BTU A/C and 25,000 BTU furnace provide robust flexibility for cozy camping through extended season camping, seldom found in the competitive set. The bathroom features a foot flush toilet, a powered vent, and a walk-in quarter round shower that gives plenty of room. The 6-gal gas/electric water heater provides hot water for the whole gang. Opposing rear jack-knifing sofas and free-standing table provide ample lounging for all adventurers, while the front full-bed, nearby wardrobes, heavy duty struts for under bed storage, and barn sliding door offers privacy for chaperones. A dome style digital TV antenna, and AM/FM/Bluetooth® radio with indoor/outdoor zoned speakers can keep you and loved ones entertained, making your Go>Play a perfect home away from home. The 263 boasts a large cargo space for all the toys! A 13'10" and a spring-loaded ramp door that supports 3,000lbs in ramp position and 1,500lbs in the patio position. 6 - 500lb rated D rings let you haul any toy you want to your final destination. The patio option not only gives you more floor space but also gives you a fantastic outdoor experience. Go>Play Exterior A sleek black front diamond plate adds a touch of style and ensures durability while on the road. Dual axle models are equipped with an exterior docking center, making utility connection and camp set up a breeze. Experience safer to
