## Description

2024 Airstream RV Flying Cloud 25FB Twin, Airstream Flying Cloud travel trailer 25FB Twin highlights: Front Twin Beds Rear Convertible Dinette Split Bathroom Panoramic Windows Handcrafted Cabinetry When you enjoy the finer things when traveling, this trailer will provide that for you plus lots of natural lighting and plenty of conveniences. The convertible rear dinette offers a place to dine and socialize for four, and there is a lounging area along the side with a TV on the wall. The table acts as a sturdy base below the cushions when you need some sleeping space. The front bedroom offers more panoramic windows and comfortable twin beds with a view each morning and night. There is floor space in the center and a nightstand for extra storage and charging space. You will find storage for your clothing, and a split bathroom with a half bath on one side and a shower that stands independently across the hall. And the kitchen offers everything you need to make meals including extra counter space and a refrigerator for leftovers. And there is a rear hatch option for this trailer. With each Flying Cloud travel trailer by Airstream, there are two axles, and each is built for ease of towing, plus there is a rear-view camera to make reversing and parking easier, and stainless steel front stone guards to protect the lower segments from road debris. The iconic Airstream design is created outside and inside by the semi-monocoque aluminum superstructure, the temperature reducing one-piece white aluminum roof, the panoramic front windows, and the stylish aluminum wheels. The interior will have you feeling right at home with handcrafted cabinetry, plenty of storage and counter space, sleek roller blinds and blackout curtains, plus residential style faucets!
