Description

2024 Airstream Flying Cloud 27FB Queen The Flying Cloud is our most popular, most versatile travel trailer, and for good reason. With more floorplans available than any other model, there's a "just right" for everyone and a perfect balance of size, capability, and Airstream style. The Flying Cloud embodies the Airstream spirit of never-ending adventure. It's beautifully, carefully designed to invite you inside and help you venture out further than ever, and bring your comfort zone with you. All the classic Airstream touches shine in the Flying Cloud. Riveted aluminum, gleaming cabinetry, panoramic windows. It's everything that first made Airstream a design standout in the beginning, with every modern evolution since then.
