Description

Stock #401048 - 2022 Airstream International 30RB! Always Kept Indoors! Beautiful Inside And Out!***** CERTIFIED SINGLE OWNER *****Gorgeous and meticulously kept, the 2022 Airstream International 30RB is ready to hit the road with the ultimate combination of style, comfort, and Airstream quality. This is a 50 amp trailer that the seller added an extra A/C. Both A/C units have the added "soft start" feature that keeps them from surging power on start-up. It has 180w of solar with AGM batteries to help save on power. This iconic Airstream is your private sanctuary on wheels. It features ultra-leather furniture, modern finishes, and plenty of windows to make it feel spacious and full of natural light. This 30' 11" unit also comes with a second air conditioner to ensure comfort on the hottest summer days. 180 watts of solar panels keep the batteries topped off and the inverter lets you use lower power consuming 110 volt appliances with no electrical hookup or generator. Every inch of this thoughtfully designed Airstream is functional, from the unique storage compartments to the bedroom closets. This sleeps 6 with a queen-sized bed, a leather sleeper sofa and a convertible dinette. The bathroom has a porcelain oblong toilet, and the shower has plenty of room for a taller person. A full kitchen with a sink, stove, oven, refrigerator, microwave, and tons of storage are found throughout the galley. Also comes with an on-demand tankless water heater. The trailer has wood look floors throughout with plenty of storage. The bedroom is roomy with a queen bed. Included is the Hitch and stabilizing System - which is a load-equalizing hitch.
